

Our new Rivière Sport Collection received fantastic feedback at Baselworld. Charming yet modest jewellery which can certainly be worn for any occasion.

Simply strapped across the arm, the flexible bracelets fit securely on your arm all day long. And the collection's rings are just as comfortable to wear. Thanks to the opening at the bottom, they adapt perfectly to the situation as well as to the wearer's finger.

Simple and casual are in top demand right now, and Rivière Sport's got this wish covered with the right feeling for what's current. Setting, not following the trends.

Jewellery of Today.
