

**Stretch it. Feel it. Enjoy it.**

One of our highlights at Baselworld.

The bracelet comfortably brushes against the wrist, its flexibility ensuring a secure fit. An impressive piece of jewellery with a striking appeal.

Pay us a visit at the trade fair and try it out for yourself. Experience the effect of the indiscernible and fascinating technology.

**Come to see us.**

We look forward to seeing you.

Warm regards from Munich,

Ingrid Dubotzky and Axel Scheffel
