

**Stretch it.
Feel it.
Enjoy it.**

Bubbles is back.

Our design icon is getting an update with stretch technology. Bubbles stretch is current, comfortable and with the times.

Simply slipped onto the wrist, the bracelets sit securely and casually. A flexible luxury that women value and love.

Spheres are on trend. Available in three different sizes, they give your jewellery pieces variety. New earrings and necklaces complete the line. Bubbles goes perfectly with all of the other collections.

Experience a modern classic and the effect of the hidden, fascinating technology.

Come to see us.

We look forward to seeing you.
