STRETCH

The STRETCH & MATCH concept reflects the spirit of the times – and the success at Baselworld confirms this. Uncomplicated jewelry for day-to-day wear is the future.

Many thanks to everyone who visited us and wanted to experience STRETCH live. It was a pleasure for us to find your very own MATCH together.

Were you not able to take up the opportunity at Baselworld, but are curious about the collection? We would be happy to present the concept to you in person.

Best wishes from Munich,
Ingrid Dubotzky and Axel Scheffel.
